To whom it may concern,

The Hennessey Group has been a client of The Oasis at Pavilion Park since we opened in 2016. They have always been timely with payments and acted with complete professionalism with every transaction made. Their Corporate Housing company sets the bar for the other companies in this area and we are honored to partner with them to supply housing needs to many people. We love their little touches that help make a temporary residence feel like home. Providing housing is such a rewarding career. To be able to help someone find a home where they make memories that will last a life time, even if it is just temporary and The Hennessey Group helps make this happen daily. I highly recommend The Hennessey Group in every aspect of Corporate Housing.
